

AARHUS UNIVERSITY

Letter of Approval for Application to the Dairy Summer School 2026

I hereby confirm that I support the application of _____ to the *Dairy Science and Technology Summer School 2026*, to be held in person in Aarhus, Denmark.

I understand that the course is designed for early career researchers, and that participation is free of charge. I acknowledge that, if the applicant is accepted, all travel and accommodation costs will be the responsibility of the applicant or their home institution.

Furthermore, I understand that to obtain **ECTS credits**, full participation in the following is required:

- The scientific programme
- The poster session
- The career development event
- Submission of a final short essay after the course

By signing below, I confirm my awareness and support of these conditions and approve the student's application to the program.

Sincerely,

Name of Supervisor: _____

Supervisor email: _____

Supervisor signature: _____

Date: _____
